New York, NY

DESCRIPTION

"Harsen House" is a new construction luxury condominium located in the heart of Manhattan's Upper West Side, one block from Central Park and two blocks from Riverside Park. The project was conceived as a building of mostly 2 bedroom apartments. Anbau was able to easily respond to the demand for full floor units because of the flexibility of the floor plan design.. "Harsen House" is in a Landmarks District thus required Landmarks approval. The project was one of the first New York City residential projects to embrace LEED. It has LEED Silver certification.
